088	Democratic Period A parishioner voiced her disquiet with the council in relation to the proposed cuts to bus services. She felt that the council had not given it the importance that it needed and reminded the meeting that some people do not have their own transport, and therefore rely on public transport to get about. She went on to say that she had observed Cllr A Cameron at the recent meeting held at Mosterton to discuss the withdrawal of bus services, but that he had not said anything. There would be a meeting at the Bottle Inn tomorrow to discuss what could be done if all bus services are withdrawn; and she hoped councillors would attend. There was an abandoned vehicle near the school. There were vehicles parking dangerously around the school and it was felt that the police should look into this.

089	<p>County and District Reports</p> <p>County A meeting had recently been held at Mosterton to discuss the possible withdrawal of rural bus services. The principle problem is that most bus users are free pass holders, therefore there is little or no income generated. It was agreed that the County Council could have been far more transparent regarding the withdrawal of bus services</p> <p>District: The option of having two Unitary councils for Dorset, one covering Bournemouth and Poole, the other covering the rest of Dorset seems to be gaining momentum, and would be a cost saver in the long term.</p>
090	<p>Accounts for Payment</p> <p>The following accounts were authorised for payment: Jo Widdecombe £1527.00, Tiverton Town Council £50.00, Viking £69.85, S Lee Garden Services £1380.00, Creeds the Printers £326.50, J Vanderwolfe £75.61 and Tiverton Tow Council £86.97.</p> <p>The Expenditure and Income V Budget for the period April 2015 to March 2016 was agreed.</p> <p>The Council felt that it had maintained good internal audit control during the financial year.</p>
091	<p>Planning</p> <p><i>WD/D/16/000075</i> Foxdown Farm, Marshwood. Change of use of existing farm to mixed use comprising farm and a children’s farm, café/education building and car park area. Whilst supporting the application in principle there are concerns regarding highway access to and from a very busy road. Concerns on how coaches would access and leave site.</p> <p><i>WD/CA/16/00081</i> 1 Manor Farm Cottage: Fell 1 Macrocarpa tree. Support</p> <p><i>WD/D/16/000147</i> Norway Cottage, Norway Lane, Stoke Abbot. Extension and alterations. Support.</p> <p><i>WD/D/16/000186</i> Jesmond, Norway Lane, Stoke Abbott. Erection of studio. Support.</p> <p><i>Delegated: WD/D/16/000093</i> Mabeys Cottage: Log cabin ancillary. accommodation. Support <i>The application had since been withdrawn.</i></p> <p><i>Determinations: WD/D/15/002341</i> Lane East of Bottle Inn: Outline for two detached dwellings. Refused.</p> <p><i>Neighbourhood Plan:</i> Sadly not many people had attended the recent public meetings regarding the Neighbourhood Plan. Some good points had however been raised.</p> <p><i>Tree in Stoke Abbott:</i> The County Council Tree Officer had contacted the council regarding a tree in Stoke Abbott that they believed might be under the ownership of the parish council. The crown of the tree was dying off and it needed urgent attention. There was also a danger that branches would connect with overhead power cables. It was agreed to speak with Western Power.</p>
